

## Home Learning Choice Board

Each day, choose one activity from each column. Have fun learning!

Math	Reading/ Writing	Science	Social Studies
Make a counting collection! Choose something from inside or outside of your home!	Write your sight words for the week on different pieces of paper. Have an adult hide them around the house. When you find them, spell them out loud!	Go to <a href="http://scholastic.com/learnathom">scholastic.com/learnathom</a>  Choose the activity about weather (day 2)!	Make a comic strip with 3 panels and facts about George Washington.
Practice your math facts for 20 minutes on Moby Max.	Write a summary of a nonfiction book. What did the author want us to learn?	Do a weather observation. Record your data in a drawing of the morning, afternoon and night time.	Complete the Seesaw Past, Present and Future me!
Make a schedule with times of your day to the hour and half hour.	Read with an adult outloud for 20 minutes and focus on comprehension questions such as where,when,why,who and how.	Make a decorated list with examples of solids, liquids and gasses	Go on a walk in your neighborhood. Draw a map of your street. What do the street signs tell you?
Collect data about your family, a favorite activity, or items in your home and create a picture/bar graph.	Write 7 descriptive sentences about a family member or friend. Remember capital letters and punctuation!	Use your 5 senses and take a mindful 15 minutes outside. Record what you observe.	Use your star qualities of compassion and patience during your day. How did you use them with those around you?

Websites you can visit to explain your thinking and further exploration are Seesaw, Brainpop Jr ( enter code ) MyON using clever codes,

Storyline Online, GoNoodle, Cosmic Kids Yoga, TeachMyMonstertoRead,  
and IXL.
