

Mary G. Porter Traditional School's 6th Annual ELEMENTARY CAREER DAY Friday, November 20, 2009

Through this school wide activity, we hope to expose the students to a wide range of occupations and hobbies and at the same time demonstrate how people use their skills and personal characteristics (for example hard work, commitment, and perseverance) during work and leisure time.

In order for the day to be a success, we need parents and other community members to share their talents with us by volunteering to speak about and /or demonstrate their career or hobby. We are asking each volunteer to:

- Donate a full or half day on November 20th.
- Prepare a 15-20 minute presentation/demonstration about his/her hobby or career.
- Bring (if possible and if provided by his/her company) some type of souvenir related to the career to give to the students (i.e. pencils, brochure, business card, etc.).

We know that our Porter families and community members have a wealth of information to share with our students. Please volunteer if you can or if you know of someone who would be interested in speaking, fill out the form below. It is a rewarding experience, and time volunteered will count toward your community service hours requirement. If you have any questions, please feel free to contact me at 703-580-6501 or e-mail. Thank you in advance for your support.

Sincerely,
Marci Bontempo
School Counselor
bontemmm@pwcs.edu

Please complete and return to school on or before Friday, October 30th.
