# JAMESTOWN VOICETHREAD PROJECT

A MULTIMEDIA PROJECT TO  
DEMONSTRATE THE STRUGGLES TO  
ESTABLISH THE FIRST PERMANENT  
ENGLISH SETTLEMENT.

A large, stylized logo consisting of a light yellow circle containing the letters 'Vt' in a bold, black, serif font. A horizontal white line is positioned to the left of the 'V', extending from the left edge of the circle towards the letter.

Vt

You will be creating a VoiceThread project that includes examples of primary sources, websites, research, events and historical people that influenced the building and establishment of Jamestown.

## **Project Requirements:**

At least 3 primary source documents. (Ex. maps, paintings, letters, photographs, artifacts, etc.)

Include biographical information for at least 3 key people who were connected to the Jamestown settlement.

Include at least 6 historical dates and/or events with facts connected to those dates.

Use at least 3 websites to conduct your research and 1 print resource.

- You must create a page that lists the sites and print resources that you used for this project. (Works Cited Page)

You will be graded using the rubric you are receiving in class.

This is an **INDIVIDUAL** project and you will be presenting your finished VoiceThread to your peers.
